STATEMENT OF OBJECTS AND REASONS

The New Delhi International Arbitration Centre Act, 2019 provides for the establishment of the New Delhi International Arbitration Centre. Accordingly, the New Delhi International Arbitration Centre has been established for creating an independent and autonomous regime for institutionalised arbitration in the country. Sub-section (1) of section 4 of the Act declares the New Delhi International Arbitration Centre as an institution of national importance.

2. However, it has been felt that the Centre, being an institution of national importance, gives an impression of being city centric whereas it should be reflective of the aspirations to promote India as a hub of institutional arbitration and establish itself as a centre of international commercial arbitration. Therefore, it is considered imperative to change the name of the Centre from New Delhi International Arbitration Centre to India International Arbitration Centre so that a unique identity of the institute of national importance as conferred on it by law is evident and reflects its true objective. It is also proposed to make certain consequential amendments under the Act.

3. The Bill seeks to achieve the above objectives.

NEW DELHI;

KIREN RIJU.

The 29th July, 2022.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 9 of the Bill proposes to amend clause (a) of section 15 of the New Delhi International Arbitration Centre Act, 2019.

2. Clause (a) of section 15 provides that the proposed India International Arbitration Centre may specify by way of regulations, the manner of conduct of arbitration and other forms of alternative dispute resolution mechanism, both international and domestic.

3. The matters in respect of which regulations may be made under the aforesaid provisions are matters of procedure and administrative details and it is not practical to provide for them in the Bill itself. The delegation of legislative power is, therefore, of a normal character.
